

Disclaimer

The information contained in this document is general in nature and neither represents nor is intended to be specific advice on any particular matter and does not take into account your personal circumstances, financial needs or objectives. Before acting on any information, you should consider the appropriateness of it and the relevant product having regard to your objectives, financial situation contracts, disclosure forms or any other documents prior to entering into any contract or acquiring any financial or investment product. The contents of this document are not to be relied upon as a substitute for financial or other professional advice. Your access to, and use of, this document is at your own risk. This document and its contents are provided to you on “as is” basis, and may contain errors, faults and inaccuracies and may not be complete and current.

The information contained in this report is provided for information purposes only. It is not to be considered as advice or recommendation. Individual personal and financial circumstances and needs differ. Investors should carefully consider the information in this report in light of their personal circumstances (including financial and taxation issues) and seek professional advice from their accountant or financial adviser before deciding to invest. While all due care has been taken in the preparation of this report and the information contained herein, Logic Wealth Pty Ltd, directors and officers do not guarantee or warrant the accuracy, reliability, completeness or currency of the information. Changes in circumstances after the preparation of this report may also impact on the accuracy of this information.

This is not investment advice

It is imperative that you read the research documents in full and all supplementary information and amendments (which may be obtained from Logic Wealth Pty Ltd) before making any investment decisions. It is vital that you also consider the risk factors that could affect the financial performance of the development. Risk factors include such factors as movements in interest rates, demographic changes, market demand and the potential and economic environment generally. You should carefully consider these factors in light of your particular investment needs, objectives and financial circumstances.

Returns are not guaranteed

No guarantee is given that an expected level of return will be achieved. Any forecast are dependant on the current market conditions and knowledge available to Logic Wealth Pty Ltd at the date of the said document.

Logic Wealth Pty Ltd has exercised due care in the preparation of this and all the reports, and all information provided is based on best estimates and projections possible at the time of preparation. Neither Logic Wealth Pty Ltd nor its directors, officers or authorized representatives guarantees the success of any investment, or any particular rate of capital or income return.
